WOLGAST THE FAVORITE IN TODAY'S BIG FIGHT

Burns, who are to battle for the world's lightweight champlesship to-morrow afternoon, rested on their oars today after an irksome siege

"Honest Jack" Welsh will referee. The jingle of the pool sellers' coin would indicate that Burns is in for a trouncing. He is the short end of the 10 to 4 book.

Even money that Wolgast will win in 18 rounds found a rectly market. Wolgast has placed heavy commissions to be wagered on himself at any price, while Burns and his manager are reported to have staked much on the Californian's chances.
